Start Your Story.

Why is there a herd of metal horses standing on a hillside? What inspired the artwork in the gallery of a renowned Crow artist? Who revived a historic 1911 theater in Bozeman into the thriving performance venue it is today? Hear the stories behind Yellowstone Country’s artistic and cultural sights as shared by the artists, curators and leaders who know them best. Discover the inspiration, community spirit and history that have shaped the region’s vibrant arts and culture scene and experience it on a deeper level.
